

ANDY KORG

MUSICIAN | PRODUCER

BIOGRAPHY

ANDY KORG IS BACK: WITH CATCHY TUNES THAT STICK.

After an eight-year creative break, **Andy Korg** is back. Known as part of the legendary **A.G.Trio** and as co-founder of the successor band **Ages**, he has left his mark on the Austrian and international electro-house and pop scene.

With the A.G.Trio, alongside Roland von der Aist and Aka Tell, he scored a number one hit on Austrian Radio FM4, was named Soundpark Act of the Year and was nominated for the Amadeus Music Award three times. After several placements on international dance charts and tours from Mexico to South Korea, the genre lost its appeal for the three artists, and the trio was put on hold. Instead, they reinvented themselves under the name Ages and received rave reviews for the album "Roots." But then their artistic paths diverged, and they took a well-deserved creative break.

Now, after a long hiatus and with his creative batteries fully recharged, Jürgen Oman - Andy's real name - felt the itch to get back to creating. **"The most important thing for me is that I'm enjoying producing again,"** he says. With new energy and a fresh approach, he is now embarking on his path as a solo artist and refuses to be forced into a specific genre. The new tracks are electronic pop music, sometimes with synth-pop influences, sometimes with a touch of 80s nostalgia. But they all have one thing in common: earworm potential!
